Excitement and sheer astonishment will grasp you as record-breaking Braemar navigates Greece's remarkable Corinth Canal on this unforgettable Mediterranean voyage.

Sailing serenely between the canal's carefully carved cliffs, which pinch to a gap of just 24 metres between them at their narrowest point, you'll delight in dramatic views and a unique experience rarely enjoyed on an ocean cruise ship, and make memories that last a lifetime. Be immersed in rich history, culture and stunning beauty at gorgeous Greek islands too; your smaller-sized ship docks centrally in almost every destination, closer to their highlights. Step back to the Byzantine era, taking in the Cretan charms and striking architecture of Agios Nikolaos; and trail the ancient sites of Rhodes, from Rhodes Town's imposing Palace of the Grand Masters and Avenue of the Knights to Lindos' legendary ruins.
