YOU'RE IN EXPERIENCED HANDS

With over 170 years of maritime experience, we've weathered our fair share of storms. And we've learnt a thing or two. We've learnt what it takes to run the tightest of ships, and are proud of the awards that we've picked up in recent years. We would like to present them here, to assure you that you can have every confidence in us. As a fifth generation, family-run business, our heritage and experience sets us apart, and perhaps that's one of the reasons we have more returning guests than any other cruise line.

WONDERS & WILDLIFE OF THE AZORES & MADEIRA

BOLETTE | Departs Southampton | 13th August 2023
12 nights | cruise code T2322

On board *Bolette*, and time spent exploring ashore, encounter the wildlife and natural wonders of a string of Portuguese islands, including a duo of scenic gems in the hard-to-reach Azores archipelago. See Terceira's glorious coastline from the water, in Praia da Vitoria – tour to the south of the island where the UNESCO-listed historic city of Angra do Heroísmo is yours to explore, or take in the views from atop the Monte Brasil volcano.

Unforgettable sights and experiences await on São Miguel; revel in the colourful lakes and vast craters of Sete Cidades Volcano, and see nature in action at the Furnas Valley, where natural hot springs fill the air with steam and the scent of sulphur. Search out whales and dolphins that live and breed in the waters surrounding these islands.

From São Miguel, scenic cruising by Santa Maria island at sunset will provide a memorable final glimpse of the Azores' natural beauty, before it's on to Madeira. At Portugal's 'Garden Island', see the mighty Cabo Girao sea cliff from your ship's decks, head ashore at Funchal – the island's capital. Enjoy wandering the levada walking trails, absorb the vibrant colours and sweet scents of the wild flowers; or explore botanical gardens and orchid farms with a local expert, to learn more about the flora.

The highlights of this cruise aren't restricted to island delights; a call at Leixoes is your chance to tour to Oporto – a city famed for its port wine and seafood, while there's also a visit to La Coruna in Spain, to delve into rich maritime history and see monuments such as Torre de Hercules.

Excitement and awe will grasp you as record-breaking *Braemar* navigates Greece's remarkable Corinth Canal on this unforgettable Mediterranean voyage. Capture the rich history, culture and beauty of the Greek islands too; your smaller ship docks centrally in almost every destination, closer to their highlights. Step back to the Byzantine era, taking in the Cretan delights and striking architecture of Agios Nikolaos; and trail the ancient sites of Rhodes, in Rhode Town's Palace of the Grand Masters and Avenue of the Knights to Lindos' ruins. In sleepy Syros and gorgeous Kefalonia, Ermoupoli and Argostoli exude Mediterranean charm, with pastel-hued villas and palm-lined promenades, Ouzeries and glorious beaches.
