VOLCANIC VISTAS OF THE AZORES & MADEIRA

Verdant volcanic wonders await on this exploration of Portugal, from the Sete Cidades crater lakes and Furnas Valley hot springs to the ancient Algar do Carvão lava tube. In the Azores, sperm whales and dolphins frequent the waters and the landscapes are adorned in vibrant blue hydrangeas – we've timed your visit specially so you can capture the archipelago's national flower in bloom. You can also immerse yourself in Portuguese traditions such as thermal bathing and savouring culinary delights like sardines and Pastéis de Nata, accompanied by the soulful notes of fado music. Enrich your experience further by learning about flower cultivation on the 'Garden Island' and pineapple growing in the Azores.
