LANDSCAPES & LEGENDS OF THE SCOTTISH ISLES

On this exploration of the Scottish Isles, *Bolette* will sail past awe-inspiring scenery. Join us on deck as we glide along picturesque Loch Hourn and cruise by the symmetrical basalt columns of Fingal's Cave and the bonnet-shaped Bac Mòr. Immerse yourself in the region's rich way of life by meeting Shetland ponies, enjoying Gaelic song and sampling local whisky. There will be plenty of chances to spot wildlife, too, from whales, dolphins, seals and otters to the abundant birdlife at Sumburgh Head and Noss National Nature Reserve. Additionally, you can uncover the captivating legends behind landmarks such as the Ring of Brodgar, the Neolithic site of Skara Brae, the Fairy Pools of Skye and the Callanish Stones.
